J., May 3.—Seven-cent trolley fares will be restored on the lines of the Public Service Railway Company, operating in practically all sections of New Jersey and remain in effect until such time as the State board of public utility commissioners sees fit to abrogate an order issued by it today.

An increase from 6 to 7 cents was granted September 25 last, following action of the war labor board in making a retroactive wage award to the employees. The order specified the 6-cent rate should be restored if the board finds the company's present revenue is inadequate to meet existing conditions.

First Yanks to Fight Back From France

DEFENDS THE TRANSFER
OF SOUTHERN BUILDING

Answering the suit of the receivers of the First National Fire Insurance Company to set aside its transfer of the Southern Building, Fifteenth and H streets northwest, to the Southern Realty Corporation, the president of the latter said in his brief just filed in court, that the action whereby the building changed hands was legal and valid.

He says the transfer of the prop-

erty was made at the suggestion of the insurance commissioners, and met with the approval of the stockholders of the insurance company. He further claims that the receivers have taken their present action without the direction of the stockholders of the insurance company and that the majority of them have protested against the course they are pursuing.

Every Little Task a
Painful Effort

THIS time of the year there are many odd jobs about the home that every well man likes to do. But no man or woman with a "bad back" enjoys doing anything. There's surely something wrong when every day brings morning lameness, sharp pains when lifting, and a dull, tired state. Likely it's kidney weakness. Don't neglect it! It's easily corrected at first, but delay may encourage gravel, dropsy or dangerous Bright's disease. If your back aches and kidneys are disordered, get Doan's Kidney Pills. This successful remedy is recommended so strongly by people you know, you can use it with real confidence.

Read These Washington Cases:

Sixth Street S. E.

Elmer E. Keeler, 923 Sixth St. S. E., says: "I know there is nothing better for kidney trouble than Doan's Kidney Pills. My work is trying on the back and kidneys and often I suffered from a dull ache across the small of my back. I couldn't do much stooping or lifting and the action of my kidneys was irregular. Doan's Kidney Pills strengthened my back and kidneys. I know they are all that is claimed for them."

E Street S. E.

E. H. Carrick, city fireman, 1122 E. St. S. E., says: "I was suffering from pains through my back in the morning, so acute at times as to make my back lame. My kidneys acted irregularly. I was complained of this trouble to some friends and was told to take Doan's Kidney Pills. I got some and they cured me completely. I have had no sign of the complaint since." (Statement given April 5, 1917.)

On November 15, 1918, Mr. Carrick said: "I know from experience that Doan's Kidney Pills will certainly help anyone having kidney complaint and I always recommend them."

Miss Janet Richards to Speak. Miss Janet Richards will talk at the annual meeting of the Council of Jewish Women, to be held in the vestry of the Eighth Street Temple on Monday, May 5, at 7:30 o'clock, her subject being "The New Plan of Co-operation Between Capital and Labor."

Tenth Street S. E.

Mrs. A. E. Flowerree, 622 Tenth St. S. E., says: "I had pains in my back that were something like lumbago. Often the pains would be in the small of my back and through my limbs. Nights I would be restless and mornings all tired out. My kidneys didn't act right, either. Seeing Doan's Kidney Pills highly recommended I used them and they gave me great relief." (Statement given December 3, 1912.)

On November 14, 1918, Mrs. Flowerree said: "The cure Doan's Kidney Pills made for me is still lasting. I have great confidence in this medicine and always recommend it."

H Street N. W.

Mrs. L. H. Middlekauff, 439 H St. N. W., gave the following statement December 1, 1912: "I have used Doan's Kidney Pills with satisfactory results and gladly recommend them for backache and kidney ailments. Doan's do just exactly as they are advertised to do."

On November 15, 1918, Mrs. Middlekauff said: "My faith in Doan's Kidney Pills is as strong as ever. Doan's are sure to give immediate relief whenever I have need to take them."

Willard Street N. W.

W. J. Garner, 1730 Willard St. N. W., says: "I suffered for years from disordered kidneys, and I was laid up on several occasions. My back became so weak I did not dare to bend over, and if I brought my back into use, pains always came on. The kidney secretions were disordered, often being too frequent in passage and then again scanty. I had taken all kinds of medicine and had worn plaster, but nothing had helped me. I was hardly fit for work when Doan's Kidney Pills first came to my notice. Several boxes made a cure."

Potomac Avenue S. E.

Mrs. Elizabeth Gately, 1117 Potomac Ave. S. E., says: "I was a sufferer from kidney trouble for a long time. I was down with backache and some days I couldn't get out of bed. I was annoyed by the action of my kidneys. I used ministers and different remedies, but nothing did me any good until I tried Doan's Kidney Pills. I was soon free from the distressing backache and my kidneys acted regularly. I keep this medicine on hand now and they relieve the least attack I may have."
